**Penguin Tech Magazine Premier Edition Number One:** This is the first independent electronic magazine all about Penguin Robots, Basic Stamp microcontrollers, sensors, hobby projects, PBASIC programming, and fun projects! For more information, contact Humanoido at email: [penguin\(dot\)robot\(at\)yahoo\(dot\)com](mailto:penguin(dot)robot(at)yahoo(dot)com). The first issue of Penguin Tech is now available in PDF format, at no cost. Sign up at: [http://tech.groups.yahoo.com/group/toddler\\_robot/](http://tech.groups.yahoo.com/group/toddler_robot/) and download at: [http://tech.groups.yahoo.com/group/toddler\\_robot/files/](http://tech.groups.yahoo.com/group/toddler_robot/files/)

**Penguin Robot Society (PRS)** is a society of robot enthusiasts who share ideas, projects and information about the Parallax Penguin Robot. To become a member, or for more information, send an email about your Penguin Robot interests to Humanoido at email: [penguin\(dot\)robot\(at\)yahoo\(dot\)com](mailto:penguin(dot)robot(at)yahoo(dot)com).
